## SAINT EULALIA'S Parish Pastoral Council – January 2013

### *"Our Journey From Good to Great"*

Your parish council is a committed group of twenty-three parishioners representing the entire spectrum of our parish community, dedicated to upholding and expanding the vision of St. Eulalia's parish- "To make St. Eulalia's parish a thriving spiritual, religious, social, and service center of our community."

Parish Pastoral Councils were envisioned by the Second Vatican Council to be advisory bodies to the Pastor, to be Servant Leaders, and to share their gifts and talents for the betterment of the church and the community.

When our current Pastor, Msgr. Jordan, arrived, he asked our council a simple question, "What do you want your parish to be in five years? Ten years?" Taking that as our guide, with numerous conversations over many months, "Our Journey from Good to Great" unfolded.

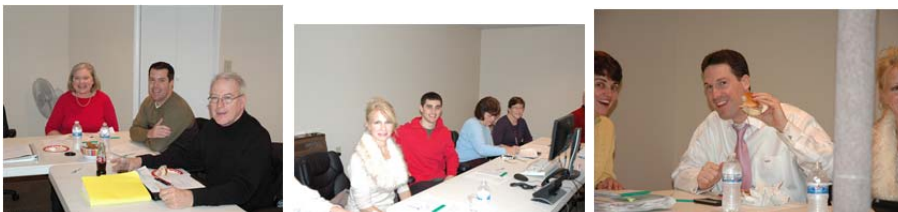

We have an extraordinary parish made up of faith-filled, loving, and involved people. Twenty-eight years ago they came together to build this beautiful church, hall, and rectory. Our parish has grown enormously since then – we now have over 1,100 families. With growth, exciting opportunities present themselves, as well as challenges to meet our spiritual, service, social, and physical plant needs.

We're looking forward to the future. How can we strengthen our ministries to help serve God and one another? What do you want your Church to be?

Join us on this Journey. Share your ideas with us. Become involved. You'll never regret it.

**“As for my house, we will serve the lord.”**

God calls us to himself, to live for Him to serve Him, to always put Him first. Guided by Scripture, we believe that the Christian steward is a person whose prayer leads to a constant awareness that God is the creator of all blessings in life’s spiritual and material. He has entrusted to Catholics the gifts of material creation, individual vocation and the Church. Grateful for these gifts, we are eager to use them to show our love for God and one another. God calls us to share our time, talent or treasure.
