Missionary Creativity

"The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and the community. While certainly not the only institution which evangelizes, if the parish proves capable of self-renewal and constant adaptivity, it continues to be the Church living in the midst of the homes of her sons and daughters"

Pope Francis in *EVANGELII GAUDIUM* #28

Saint Eulalia Parish Mission Statement

This Week's Family Reflection for the Sixth Sunday in Ordinary Time

Gospel Reading *Matthew 5:17-37*

I have not come to abolish the law and the prophets but to fulfill them.

Family Connection

Families have rules. Without rules, family life would be chaos. As a family, brainstorm a list of rules that you are all called to follow in your home in order for you all to get along together. Think about rules for play time, rules for eating, rules for how to speak to one another, rules for going out with friends, and so on. Emphasize that families follow rules as a way of showing love and respect for one another. Explain that in this Sunday's Gospel, Jesus talks about following the Law.

Say: **God's Law of love can be thought of as rules that we are to follow in order to show our love and respect for one another.** Read aloud this Sunday's Gospel, Matthew 5:17-37. Talk specifically with one another about how anger is to be dealt with in your family. Conclude by praying for the grace to overcome anger and to show respect for one another as a family by following God's Law of love.
