Saint Eulalia Parish – Confirmation Service Hours Log

Student Name: _____

Grade: _____7th _____8th

Our religious education program strives to teach our youth the importance of giving back to our community. As such, each Confirmation candidate is required to complete 20 hours of service outside the home – 10 hours of service to the community and 10 hours of service to the parish.

These hours can be earned during a student's 7th and 8th grade years. We will periodically send emails with service project ideas for students and their families.

Hours must be completed by February of the year the student is to receive the sacrament. Completed service logs can be brought to class and given to your catechists or scanned and emailed to Mrs. Clancy at <u>religioused@saint-eulalia.com</u>.
