

SAINT EULALIA PARISH -- CONFIRMATION NAME REGISTRATION

Candidate's Name: _____

It is not necessary to choose a new name in addition to the name you have now. Keeping your Baptismal name can be appropriate since Confirmation completes Baptism by strengthening us to live as a people who are faithful to our Baptismal promises. If you choose to use your Baptismal name, it must also be a saint's name or variation of a saint's name.

If you decide to choose a new Confirmation name, keep in mind that the new name should reflect your new role as a mature Christian. You might choose the name of a person or saint you admire, or one of your parents or grandparents. The only limit placed upon your choice is that it must be a saint's name or variation of that name.

The option of a new name or your Baptismal name is ultimately yours, but remember that your name gives you identity. It tells people who you are. Choose wisely. To help you in your research, our 8th grade Religious Ed page has links to sites to search for saints, their feast days, what they are patrons of, etc.
