Missionary Creativity

"The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and the community. While certainly not the only institution which evangelizes, if the parish proves capable of self-renewal and constant adaptivity, it continues to be the Church living in the midst of the homes of her sons and daughters"

Pope Francis in *EVANGELII GAUDIUM* #28

This Week's Family Reflection for the Epiphany of the Lord—**Gospel Reading** *Matthew 2:1-12*

The Magi seek out Jesus and do Him homage.

Family Connection

The tradition of giving gifts at Christmas is thought by some to be rooted in the gift giving of the Magi. In many cultures, gifts are not exchanged at Christmas, but rather on the feast of the Epiphany. Whenever you exchange your Christmas gifts, take some time to reflect on this tradition of gift giving at Christmas. Think of the best gift you have received. What was it? What made it special? Was it the gift itself, the thought that went into it, or the person who gave it to you?

Read today's Gospel, Matthew 2:1-12. The gifts of the Magi—gold, frankincense, and myrrh—have come to be understood as symbols of Christ's royalty, divinity, and eventual suffering and death. They are special because in giving them, the Magi acknowledge who Jesus was to be: our Savior. We pray that we will acknowledge Jesus as Savior in all that we do and say. **Conclude by singing together "We Three Kings."**
