Missionary Creativity

"The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and the community. While certainly not the only institution which evangelizes, if the parish proves capable of self-renewal and constant adaptivity, it continues to be the Church living in the midst of the homes of her sons and daughters"

Pope Francis in *EVANGELII GAUDIUM* #28

This Week's Family Reflection for the Fourth Sunday of Easter—

Gospel Reading—John 10:27-30

Jesus describes his care for his sheep.

Not only can we recognize family members' voices, we can also read the tone of their voices and know something about how they are feeling. In our relationship with Jesus, we know Jesus' voice and are called to follow. Jesus doesn't just bring us closer to the Father, Jesus puts us directly into contact with God the Father, removing all distance between us. In the Gospel of John, Jesus identifies so closely with the Father that he tells us that they are one—not just close, but actually one. Knowing Jesus means knowing the Father.

Read with your family today's Gospel, John 10:27-30. Ask your family members to talk about some ways that Jesus brings them closer to God and closer to one another. Pray together the Acts of Faith, Hope, and Love.
